GSXR Slip-On ('05)

ZX6R/RR Slip-On ('05)

Akrapovic Slip-On Systems are the most inexpensive and easiest way to add horsepower and reduce weight on your sportbike. Akrapovic offers these systems for selected models and include the canister, S-bend, and muffler clamp. They're easy to install, increase horsepower, reduce weight and look incredible on any sportbike. Available in carbon-fiber or titanium-wrapped varieties.
